Donations taken for fire victims

Early in the morning on June 24, fire completely destroyed the home of C.W. and Joan Ivy of Antioch. The home was completely gutted, leaving the family of five homeless with only a few personal belongings.

Mrs. Ivy received the emergency call at Baxter where she is employed on the night shift. She hurried home thinking her husband had suffered another stroke, four of which have occurred in the past year, but instead found her home destroyed. Mr. Ivy and the three children were able to get out without injury but the house was lost and there was no insurance.

Joan Ivy is the former Joan Nicholl, Antioch High School Class of '61. Her three children are Margaret 15, Ann 13, and Russell, 9. The children have been active members of the Antioch Swim Team for the last six years.

Because of Mrs. Ivy's dedication to the

swim team, the swimmers, families, and friends rallied in support of the Ivy family. At Thursday night's swim meet at Antioch Aqua Center, each of the 51 events was sponsored by team members and friends. In this way funds were raised to meet the immediate needs of the family.

In addition, swim members have collected food, clothing and household articles.

The Antioch Swim Team Parents Assn. has opened an account, the C.W. Ivy Family Fund, at the State Bank of Antioch to receive any further donations. They may be mailed or delivered to the bank at 440 Lake St.

The Ivy family is currently staying with relatives in Oakwood Knolls until they arrange more permanent housing. Pat Center at 395-6450 is helping the family by accepting donations of clothing and household articles.

Haisman's Resort is a family tradition

Tucked off Rte. 173 in Antioch is Haisman's Resort, located on Lake Marie, which has been run by the same family for over 50 years.

The resort, which caters to fishermen, has boats, motors, bait, tackle, food, a launching ramp, pre-mixed gasoline for the motors and fishing maps.

When Joe Haisman Sr. purchased the resort, he began building the large house overlooking the lake which remains the central point of the land.

HE ALSO BUILT the boats out of wood by hand. His wife, Mary, would be hammering along side him, said Fern, who is married to one of the Haisman brothers, Joe.

Although she is 84 now, she remains active in the resort and is not retired yet, Fern said.

Sitting around the coffee counter in the lowest part of the building are the brothers, Joe and George, and their wives, Fern and Jen.

Behind the counter Luanne pours coffee and serves breakfast. She is married to George's son Alan.

AS THEY LOOK through an old family album, they explain the many postcards of the resort in it and recall the old pop stand which used to be outside of the big old building.

There were six sleeping rooms at the resort available for rent for \$1 or \$1.50 a night, but were discontinued about 1945, Fern said.

Further up the road was a bait business in an ice cream parlor, where food was also served.

A sign along the highway advertised hamburgers for 15 cents.

In the 1940's the Haisman's Fishing Club was begun and a record kept of each person who rented a boat.

There were 5,000 members one season.

PLYWOOD BOATS were used about this time. Later steel and finally aluminum was purchased.

One customer has been coming to Haisman's since the early 40's. He really knows the lake and can catch lots of fish, Fern said.

"Right now we're cooking fish he gave us." About 1946 the coffee counter was added and motors for the boats were started in 1953 with three very old ones. Joe Sr., who began the resort, died in 1952.

BOAT RENTALS used to cost \$1 on week days and after noon, 50 cents, but that was 40 years ago, the group recalled.

Now the resort has 76 boats and 33 motors as well as three different sized boats.

Renting a boat for a day costs \$8, \$9 and

Maxwell St. sale days start Aug. 2

"The biggest sale of the year" in Antioch, Maxwell St. Days, will be held this weekend, August 2, 3 and 4.

The annual sidewalk sale is sponsored by the Antioch Chamber of Commerce and Industry.

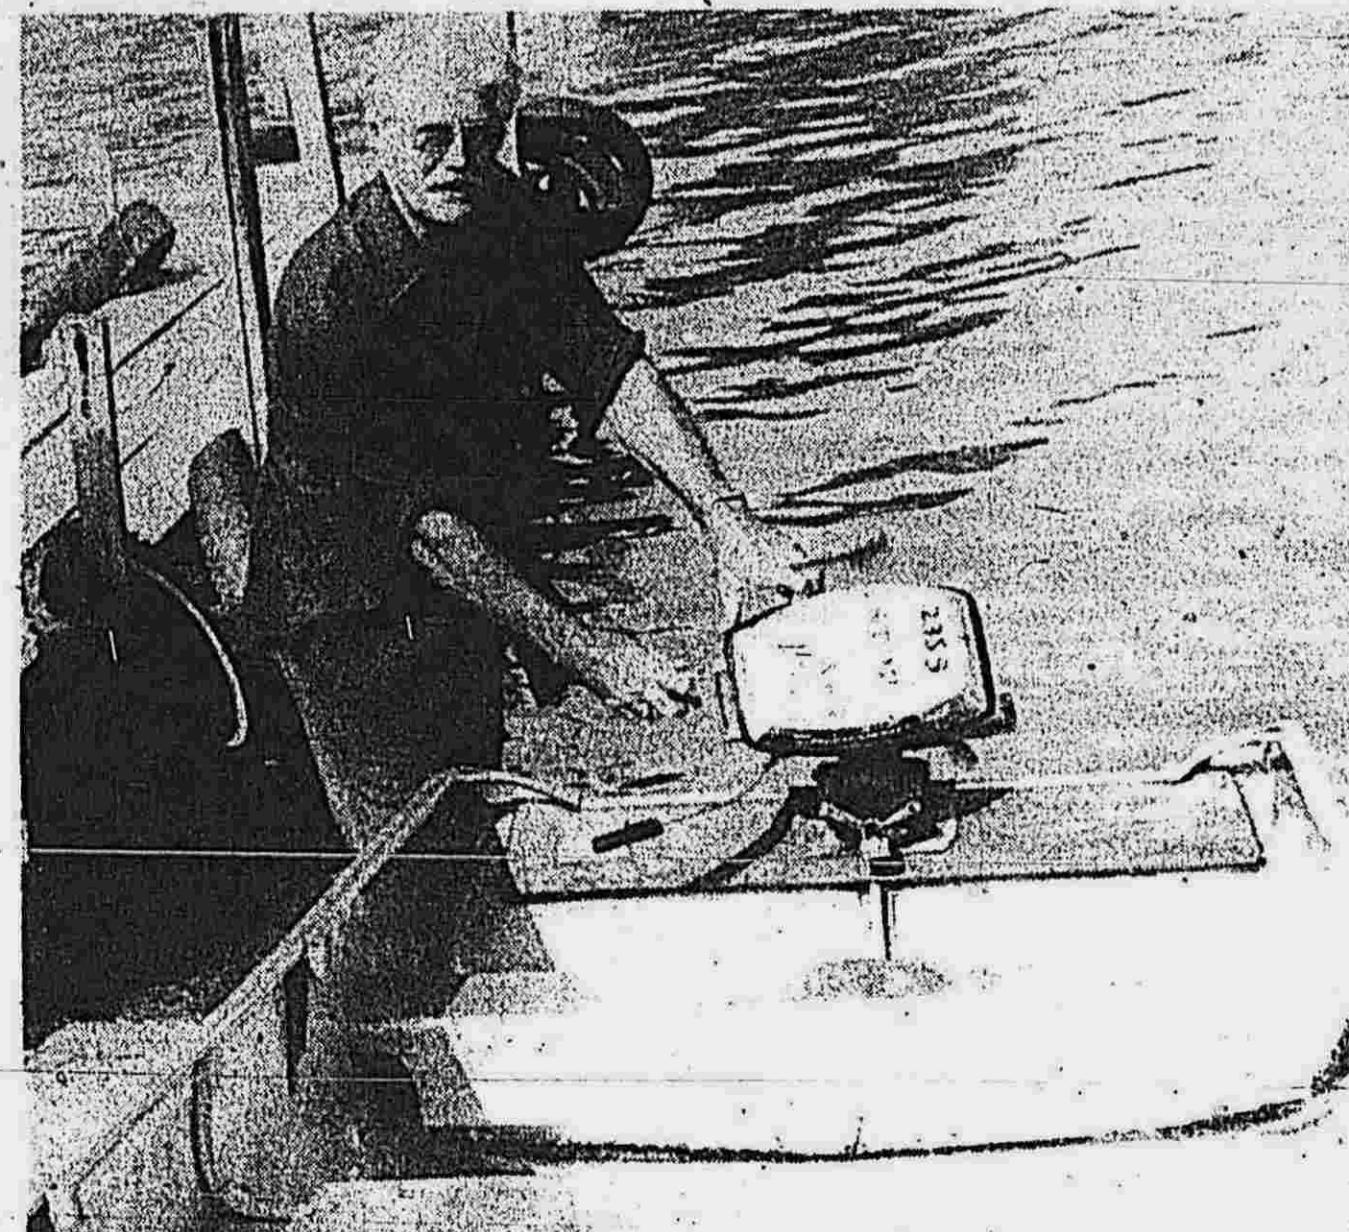

"People come from everywhere—the entire Lake-County area," said Don Marski, chairman of the Chamber's retail committee.

He reminded people to "shop early while the selections are best."

Maxwell St. Days are the "biggest sale of the year by far," Marski added.

Participation in this year's sidewalk sale by the merchants is almost 100 per cent, he said. The sale is held in Antioch's business district.

Both merchants and customers look forward to the special bargain days, he added.

GETTING READY — Joe Haisman checks boat motor for fisherman at Haisman family resort in Antioch while further down shore family of ducks swim.

ANNIE MAE

Well, the merchants are ready and the customers are, too for the annual Maxwell St. Days this weekend, August 2, 3 and 4.

Lots of bargains are planned for the weekend.

From what I've heard around town, 'Pippin' is fantastic. August 3 and 4 are the closing dates for the play held in the air conditioned Antioch Community High School at 8:30 p.m.

MR. AND MRS. Albert Dittman are just back from a trip to Colorado where they toured the state from one end to the other.

Mr. Dittman is a retired high school superintendent and in his spare time helps deliver Meals on Wheels.

Margaret Koenig and Lena Message are off on a trip to Michigan and Mackinac Island.

Happy July birthdays to Lucille Eberman, a Meals on Wheels coordinator and Mary Amundson.

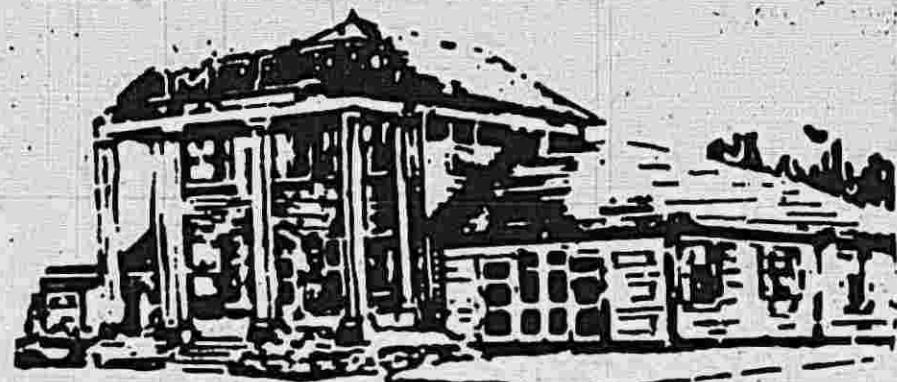

THE HOME OF C.W. and Joan Ivy was completely destroyed by fire so the Swim Team Parents Assn. has opened an account in their name at the State Bank of Antioch to receive donations. They may be mailed or delivered to the bank at 440 Lake St.

August 1 is the date for another Family Night at Williams Park. This special evening will feature the Aquatic Center and swim classes will put on a special show. The rain date is August 3.

'Pippin' a must

by Gloria Davis

'Pippin' is a different musical show. 'Pippin' is full of great music, now music. 'Pippin' is peopled with good to excellent actors. 'Pippin' is a terrific show!

Last Saturday evening, this reviewer didn't feel like seeing a musical show, in fact, a show of any kind, but after twisting my husband's arm, we attended the opening of PM&L's summer musical presented at Antioch High School while their theater is being remodeled.

To my happy surprise, both of us, enjoyed the show more than any we have seen in a long time.

This is a different kind of musical production, a 60's allegory on freedom, set in the days of Charlemagne, would you believe.

The stark set is a perfect background for this unusual show, seemingly light in content but fraught with deep meaning.

Tricia Shaefer as Leading Player takes on the role immortalized by the great Ben Vereen and does a magnificent job, simply because she is enjoyable to look at, has great stage presence and sings and dances with the best of them.

Mike Petersen's 'Pippin' is sympathetic, well acted and his vocalizing is most pleasant to the ears.

Peter Thelen carries the cole of Charlemagne, regally, sometimes foolishly, but always strongly.

Three showcased, show-stopping performers are found in Kat Poskozim, Mary Kisely and Kim Anderson.

The real pace setters though are the boys and girls of the chorus. You still can't beat the vitality of youth. They seem to be having so much fun it becomes infectious.

Ken Smouse's usual fine direction is superb in this production.

The few audio problems are easily ironed out by louder line and song delivery in spots.

'Pippin' plays again, Friday and Saturday evenings at Antioch High School and it should be a must on your entertainment calendar.

Haisman's Resort

(Continued from Page 1)

\$10. There are no hourly rates. Rental for a motor and a boat is \$22.

The Haismans furnish the fire extinguisher required for all motor boats; cushions, gas and whistles.

WHISTLES ARE REQUIRED because of a state law, Joe explained. They are to be used as signals while directing the boat. Most people who use them don't know what they're for, Fern added.

The Depression didn't really affect the resort, Fern said. Fishing in the afternoon cost 50 cents and the sport provided food.

During the World War II years, slot machines in the resort were discontinued. Drug stores in Antioch also had them, Joe said.

Joe recalled working for his father at the resort as a boy. "I used to try to get my work done quickly to listen to the radio programs."

HE HAD TIME to fish and would take his bike and ride to a nearby farm for milk, he said. Then Rte. 173 was a gravel road.

The Haismans work at the resort seven days a week during the six months it is open. Someone is there from daybreak to sunset.

Most of their customers now come from Chicago and the suburbs, Fern said. Many people who used to come out with their father or grandfather now come to the resort with children of their own, she added.

"About 80 per cent of our customers have never run a motor before," she said. "After they learn how to use one, they go out and buy their own."

The resort has participated in the Chain O' Lakes Fishing Derby for the past 15 years, one of the few places to have done so for that long.

The grandchildren are now working at the resort and enjoy it, continuing the family tradition.

JAYCEES GRATEFUL

Editor:

We want to express our gratitude to you and to the general population of Antioch for your continuing support.

The latest example of this is in the results of our highway Holdup. We try to give our members the opportunity to develop themselves.

We could not do this without the strong support of the community. We are very grateful for all the help and encouragement Antioch gives us. Not the least of this is your own contribution in faithfully reporting our efforts.

Twenty-nine persons who ate coffee cake sold at North Side neighborhood bakery were suffering Monday from food poisoning. Six of the victims were in a serious condition and it was feared one might die.

The high cost of motoring took another hop skyward this morning as the Illinois new tax of three cents for each gallon used as motor fuel went into effect.

The Lake Villa Park is being trimmed up a bit. The bandstand has been torn down and other improvements are being made. Plans are under way to improve the bathing beach also, if possible.

Wille Schultz, son of William Schultz fell from a ladder in the top of Frank Johnson's barn Friday and broke both his wrists. Mr. Johnson didn't know he was in the barn. He heard him when he fell, but he thought it was one of the horses stamping.

The Fox Lake Fire Dept. recently had a hurried call to Long Lake where a hay stack was found burning.

Mr. and Mrs. L.G. Strang spent last week at Wausau, Wis. where they attended a funeral directors convention.

Agnellos share 50th anniversary

Frank and Magdelan Agnello celebrated their fiftieth wedding anniversary this month.

With family and friends they celebrated at Nielsen's restaurant in Elmwood Park. Most of their family came from Schiller Park and California to join them.

The couple met in church and was married in Chicago.

"IF YOU COULD turn back to 1929 we'd do it all over again," Frank said. "She thought I would make the grade," he teased.

The Agnellos now spend their retirement staying with a daughter in California for six months, and then with another in Antioch for six months.

Frank was a cabinetmaker and at one time made wooden car bodies for Yellow Cab. Mrs. Agnello worked at the telephone company.

BEING VERY ACTIVE in church and senior citizen clubs, Frank wondered how he

found time to work.

Another activity they enjoy is traveling together.

They've seen Billy Graham in New York, visited Oakland and San Francisco in California and attended the 'Over Easy' television show.

"The Lord kept us together," Mrs. Agnello said. "Yeah, he froze us together," Frank agreed.

The two have "learned to appreciate each other because of what the Bible teachers," Frank said. They have "learned to respect each other in an honorable way," he added.

THE AGNELLOS' three daughters shared the words precious, neat, loving and understanding to describe their parents.

"Everybody should have a mother and dad like we have," one said.

The three daughters are Rita Dituro, Laura Hjertstedt, and Rose Miceli. Mr. and Mrs. Agnello have 11 grandchildren.

Waukegan Speedway hosting Joie Chitwood

The Waukegan Speedway will be hosting the world famous Joie Chitwood Thrill Show on Thursday, Aug. 2 at 8 p.m.

The Greatest Show On Wheels features 21 spectacular stunts with Tim Chit-

wood, the number two ranking stunt driver in the nation, leading the troupe.

One of the most spectacular acts is the Mr. PiBB cannon jump where one of the Chitwood brothers will propel a 1979 Chevrolet

Camaro 65 feet through the air.

This will be the first appearance by the Chitwood show in over 10 years in this area.

Also included in the program will be a full show of hobby stock racing.

Gates open at 6 p.m. with qualifying for the hobbies at 7 and racing along with the thrill show beginning at 8.

During the 1960's, the Chitwood Thrill Show, under the direction of Joie Chitwood himself, used Waukegan Speedway as their practice grounds in preparation for their tours.

Be at the track located one-quarter mile east of Rte. 41 on Washington St. in Waukegan when the Greatest Show On Wheels returns to its old stomping grounds.

For track weather or information, phone 312-662-8200.

Dan Vetter of Highwood won the rain-delayed hobby stock feature and Chick Stolarik of Waukegan won the regular main event at Waukegan Speedway Sun-

day night.

Finishing behind Vetter, who took the lead from Art Brewer on lap 12 after Brewer lost a tire, was Robert Stone, Stolarik, Chuck Olson and Tom Moore.

ON LAP FOUR, Stolarik took over with heat winner Brewer following in second, trophy dash winner Vetter third, Moore fourth and Gene Jenkins fifth at the finish.

Stolarik set fast time with a lap of :19.18, the fastest turned by a hobby this season. Stone also won a heat.

Billy Roman and Kevin Pachtinger teamed up to win the tire rolling contest.

Ricky Moore won his second Big Wheel race.

Jim Bowans drove a Buick to victory in Beat Your Neighbor racing.

KEN MACKOW drove his motorcycle through a circle of fire twice, much to the delight of the Family Night crowd.

A team demolition has been added to Sunday, August 5 Family Night show.

Cicero's Frank Slabnak continued on his hot streak at Waukegan Speedway in the late model division as he won the 25-lap feature Saturday.

Chick Stolarik won the 12-lap hobby stock feature.

SLABENAK, who earlier won the trophy dash and fast heat, has won four races in a row beginning with the feature on July 21.

Slabnak was followed by fast qualifier George Fetzer, Jim Kanneberg, Jerry Stanley and Al Atkinson.

THE RACE WAS interrupted once by a yellow flag when Tim Cox's mount stalled in turn two on lap nine.

In hobby action, Stolarik was followed in the main by Dan Vetter who edged out Dan Falotico on the final lap with Duff Rossman fourth.

Brad Chandler won the trophy dash with heat wins going to Jim Riley, Howard Brooks, Art Brewer and the consolation win was picked up by Ron Mason for his first victory ever.

Renegades squash Maggots

Dug Out's Renegades defeated previously unbeaten Maggots 6-4 at Dug Out Inn in Trevor.

"Outstanding team defense and clutch hitting" combined to help the Renegades in their upset of the league champions according to Tom Furlan of Dug Out.

Renegade Tom Houghton continued hitting like Dave Kingman as he went three for three upping his batting average to a sizzling .855.

Kevin Peterson provided the game winning hit in the fifth inning as he singled home Houghton and Dan Stroening to break a three all tie.

In the Dug Out's 16 inch open invitational tournament, a crowd of an estimated 2,000 spectators watched the World Champion Bobcats of Chicago defeat Registers 9-8 for the title.

Bit-O-Ireland won the consolation title by beating Scandinavian Design 12-8.

The next 16 inch tournament is scheduled for August 18 and 19. It will be a class C tournament according to Tom Furlan, director.

Dug Out Park in Trevor has set the dates for two more tournaments to be held in August.

First will be the Bi-State 12 inch slow pitch Tournament to be held on Aug. 11 and 12.

The first round of pairings will be Illinois versus Wisconsin teams. The tournament is open invitational.

There will be a consolation division which means first round losers go into a separate division and each team is guaranteed two games.

Entry is \$75 and one game ball. There will be sponsor trophies and \$500 in traveling expense to first, second and consolation champs. (Based on 16 entries) There are limited openings.

Then on Aug. 25 and 26 will be the Women's 16 inch Tour-

nament.

It is open to all women's teams. There will be a consolation division so each team is guaranteed two games.

Entry is \$50 with sponsor trophies and traveling expense for first, second and consolation champs.

For more information please call Tom Furlan at 414-862-9136 or 312-395-5788.

The park is located on Hwy. 83 two miles north of the Illinois state line.

The next Men's 16 inch tournament will be held Labor Day weekend and will be a double elimination meet.

Miss Antioch honored by state pageant judges

The competition was tough but Lillian Foreman, Miss Antioch was right in there with the best.

Out of 23 non-finalists, Lillian was one of five contestants to receive a special Judge's Merit Award. This award is given to one girl chosen by each judge whom he or she felt did an overall outstanding job in the pageant.

All of the contestants and their talent so impressed the officials this year that Albert Marks Jr., Chairman of the Board of the Miss America Pageant added \$500 to the total scholarship awarded Miss Illinois, making that scholarship \$4,000.

This year for the first time in the history of the Miss Illinois Pageant there was a tie for the title of Miss Illinois. But in the end Shanna McNeil, Miss Southern Illinois was crowned Miss Illinois with Elizabeth Russell, Miss Heart of Illinois 1st runner-up.

Susan Rieke, Miss Ottawa was second runner-up, Gina Rogers, Miss Moline, third runner-up and Sally Mueller, Miss Charleston, fourth runner-up.

The five young ladies receiving Judge's Merit Awards were: Lillian Foreman, Miss Antioch; Brigitte Elbrecht, Miss Chicago; Sherry Brown,

Miss Illinois Valley; Anita Hawkins, Miss Quincy and Debra Kern, Miss Southern Cook County. "Lillian did an outstanding job," said Jack Collins, Miss Illinois Field Director. "We had exceptional talent this year," he added.

"We're very proud of Lillian," said Alice Gantar. "She went down there and did her best, made a lot of friends and represented Antioch well," she added.

"This was our first year

and we've learned a lot," said Marlo Good, Chairman of the Miss Antioch Pageant. "It takes experience to have a winner. With what little experience we had, Lillian won for us," she added.

Lillian retains her title of Miss Antioch until next year's pageant which will be held in March 1980. Any community organization or area merchant wishing to have Lillian make an appearance should contact Alice Gantar at 395-3310.

Letter To The Editor

SENIORS THANK

Editor:
The Antioch office of the Chain O' Lakes Senior Services would like to thank all their clients and volunteer workers who made possible our very successful bake sale on Sunday, July 22.

Although the weather was "soggy," our spirits were not dampened as we sold the many delicious homemade goodies. A great big thank you again to all who participated.

Are you familiar with the services we offer the senior citizens of our community? We are a non-profit organization, working to keep the senior citizens of our community in their homes.

Do you need a ride to the doctor, a lift to the beauty shop, a shopping trip to Lakehurst or Hawthorn? Are you unable to prepare meals and need them brought in? Are you lonely and would like someone to make an occasional visit?

These are the type of services we provide. Perhaps you have already seen our mini-bus around town. Just call us at 395-5161 or 395-5162 and let us help you.

Do you have an extra hour or two to spare? The bulk of our work is handled through volunteer workers. If you can give us some time, call either of the above numbers.

Beer helps cancer

Drivers for Fred W. Losch Beverage Co. will be shouldering more than cases of beer as they make their usual delivery routes throughout Lake County the first week of August.

Vice-President Fred W. Losch announced his drivers will support the current fund drive of the Lake County Unit of the American Cancer Society by offering cancer buckboards to all the company's retail customers.

"Through the good auspices of Fred W. Losch Beverage Company, we hope to be able to raise the \$30,000 needed to make our 1978-79 fiscal goal," explained David H. Wagner, chairman, Lake County Unit Special Events Committee, for the American Cancer Society.

"The buckboard is an old-fashioned method of raising funds, but we are hopeful that this direct giving will appeal to the public so that Lake County will make its \$277,800 portion of the State's \$5,900,000 goal."

"Last year," said Wagner, "1,265 residents of Lake County received the services of the American Cancer Society through the Unit Office. Lake County is not without its share of cancer patients, so we must make every effort to reach our goal by the end of August."

"We are very grateful to Fred Losch and these employees: Richard Akins, George Rodriguez, Thomas Landers, Gil Stritar and Jack Whitlow. The help they have offered will make it possible for us to meet our Unit's responsibility and raise those needed dollars," he concluded.

LEADING ROLES — Mary Kizely and Mike Petersen, of Gurnee, left, practice their roles for the PM&L Theatre's "Pippin" which will be held August 3 and 4 at 8:30 p.m. at the Antioch Community High School. Other actors are, from left, Kim Anderson and Kat Poskozim of Antioch and, rear, Tricia Schaefer.

INSUR-MATION

We are building a metal workshop in our backyard. Will my hazard policy cover damage to the workshop? Both the standard Fire Policy and the Homeowner's Policy will cover loss to the workshop. The coverage available would be for the same perils (fire, wind, storm, etc.) as insured on the described dwelling (your home). Each policy limits the amount of coverage to 10% of the amount insured on the dwelling. This extension of coverage will not apply if the workshop is designed for use in a commercial or manufacturing operation. It is only insured if its use is solely personal. If you need more coverage than is provided by the automatic 10% extension available with the standard Fire Policy or Homeowner's Policy, additional amounts of coverage can be added to either type policy.

"Look For The Bright Red Awning"

August 8 is youngster's tennis tourney deadline

Saturday, August 4 is the deadline for entering the Third Annual Youth Singles Tennis Tournament being sponsored by the State Bank of Antioch.

The event will be held Friday and Saturday, August 10 and 11, at the Antioch High School and "Doc" Jensen Park courts.

Pres. Reckers, vice president of the bank and coordinator of the two day tournament said response has been good and the field is expected to continue to grow as the usual late rush of entries pours in.

The tournament is for children and teens eight through 17 years of age. Reckers stressed that beginners are welcome to take

part along with those with tennis experience.

Youngsters and teens from Antioch township and the immediate area can sign up to compete in this singles only tournament by obtaining an entry blank from the State Bank and Antioch Village Hall. Completed applications must be submitted in person to Reckers prior to the August 4 deadline.

Boys' and girls' will compete in separate divisions in age groups eight through 10, 11 through 13, 14 and 15, and 16 and 17. A total of 32 trophies will be presented in the boys' and girls' divisions for first, second, third and fourth place in each age group.

Participants will receive

complimentary Bucky Banker t-shirts from the State Bank. Tennis balls will also be provided by the bank. Matches will be played at both high school and Jensen courts. Beginning Thursday, August 9, draw sheets will be posted in the State Bank lobby for those who may be interested in pairings as they are scheduled for the tournament.

The finals on Saturday, August 11, will be at Jensen Park. Assisting Reckers in the coordination of the tournament will be Glenda Tomaschik, director Antioch parks and recreation, Dennis Korjenek, Carla Herbst and Beth Cromer, instructors of the Village's summer recreation program.

FINANCIAL NEWS

A trust that goes into effect only after the maker of the trust (the grantor) has died is called a "testamentary trust". These are usually written as part of one's will. Many people use testamentary trusts as part of their estate planning. There is no cost for such a trust until the time that it actually goes into force. It is a relatively simple device because there is no continuing paperwork associated with it. One major disadvantage of testamentary trusts is that they don't go into effect if the will is invalidated. If the will is thrown out, the trust is thrown out with it. Testamentary trusts are usually used to accomplish a specific purpose.

Two major things they can do are control distribution and avoid double taxation.

For example, a friend of mine has a testamentary trust as part of his will. His estate will not go directly to his children. It will initially go into a trust where a professional trustee will hold the inheritance for them. The trust property (corpus) will be distributed in chunks. His children will get one-fourth of their inheritance at the time of his death. They will get the next one-fourth when the youngest is 18. The next one-fourth will come when the youngest is 25. When the youngest is 35, they will get the balance of their inheritance. My friend wants to give his children the full benefit of their inheritance. He feels that spreading it out will keep them from wasting it. He is able to control the distribution this way by putting the property in trust.

A major use of testamentary trusts is to avoid double taxation. The Federal Estate tax laws have a provision called the marital deduction. This deduction allows half the estate to pass to the decedent's spouse free of Federal estate tax. The laws also have a provision called the unified credit that allows a certain portion of the estate to pass to anyone free of Federal estate taxes. The rest of the estate, if any is taxed. If the estate is large enough to have part of it taxed (about \$400,000 this year), what many like to do is give the spouse what he can receive tax free, and any excess goes to the children in trust. The income from the trust goes to the surviving spouse. The children can't squander the money because it is in trust. Yet, technically, the surviving spouse doesn't own the money. Therefore when the surviving spouse eventually dies, the children get the money free of further estate taxes. If originally, the entire estate had been left to the surviving spouse, he would have paid taxes on it, and the children would have paid taxes on it again when he died.

Ragweed pollen phone line set

Abbott Laboratories' ragweed pollen-count service, now in its 49th year, will start on Monday, August 6, 1979.

Hay fever sufferers will be able to telephone 24 hours a day for a recorded message on the latest pollen and mold counts at North Chicago. The message is changed twice daily, morning and afternoon, after counts are taken, for the duration of the season, which usually lasts about 10 weeks.

The number to call starting August 6 is: 937-7055.

Preliminary counts indicate that this hay fever season will be about average, according to Don Wilson, biologist in charge of the pollen-count service. Normal growing conditions have caused a good growth of ragweed plants which produce the irritating pollen.

A free copy of Abbott's pamphlet, "Hay Fever Holiday," can be obtained by writing to "Hay Fever," Dept. 383R, Abbott Laboratories, Abbott Park, North Chicago, Ill. 60064.
